## EDUCATION

### Lambda School

*January 2020 – September 2020*

Full Stack Web Development class. Lectures and coursework everyday, fast paced learning.

Collaborated with Data Science, iOS, and Full Stack students in an agile development cycle every month.

## WORK EXPERIENCE

### The Open Box -Web Developer

*September 2017 – December 2019*

Web Development, focused on APIs for eCommerce. Most work was done building/maintaining tools for shipping, including order/inventory management.

### Telenetwork -Tech Support

*May 2016 – December 2017*

Remote tech support agent. Provided assistance setting up modem/routers, and would troubleshoot internet connectivity issues.

### Dodge Dealership - Lot Tech

*November 2014 – May 2016*

### CSU Dining Hall - Work Leader

*August 2012 – October 2014*
